Pink in the Park
Breast Health for Life

Tuesday, October 27 at 6:30 p.m.

Join Cynthia Drogula, MD, breast surgeon and director of The Aiello Breast Center at BWMC for a presentation about breast health, disease prevention and risk assessment. Debi Vincent, co-owner of Active Body and Health in Severna Park will also lead a discussion on the role of exercise and nutrition in overall health and wellness. BWMC invites you to join us to learn more about:

- Prevention and screening tools to ensure breast health.
- Causes, symptoms and diagnosis of breast disease.
- The latest advancements in technology and diagnostic tools.
- The role of exercise and nutrition in reducing cancer risk and overall health and wellness.

Light refreshments will be served. Participants will have an opportunity to have questions answered after the presentations. This lecture is free and will be held at the Severna Park Community Center located at 623 Baltimore Annapolis Boulevard in Severna Park. Reservations are requested and can be made by calling 410-787-4367.
